NOTICE TO INTENDING INSURED

Who is the Insurer?

The **Insurer** of the **Policy** is HDI Global Specialty SE - Australia (ABN 58 129 395 544, AFS License number 458776) and its registered address is Tower One, Level 33, 100 Barangaroo Avenue, Sydney NSW 2000, Australia. The **Insurer** is regulated by the Australian Prudential Regulation Authority ("APRA").

HDI Global Specialty SE is registered in Germany, with its registered office at Roderbruchstrasse 26, 30655 Hannover, Germany with registration number HRB211924 and authorised by Bundesanstalt für Finanzdienstleistungsaufsicht ("BaFin"). It is authorised to carry on insurance business in Germany under the German Insurance Supervisory Act ("Versicherungsaufsichtsgesetz").

Who is the Underwriting Agent?

In effecting this contract of insurance, Insurance Facilitators Pty Ltd ABN 90 099 104 480, AFSL No. 289450, will be acting under an authority given to it by the **Insurer**. Insurance Facilitators Pty Ltd will be acting as the agent for the **Insurer** and not for **You** as the Insured.

Our Contract with You

Our contract with **You** is subject to the Insurance Contracts Act 1984 (the Act).

Under the Act **We** each have a duty to act towards each other with utmost good faith. This means that in all **Our** dealings with each other, we must each act with honesty, fairness and reasonableness.

The contract is based on the information **You** gave **Us** when **You** applied for the insurance, and any subsequent information which **You** have supplied.

We will provide cover for those sections of the **Policy** **You** have selected and that are shown on **Your Certificate of Insurance**.

You must pay the premium and any relevant government charges for the **Period of Insurance** and comply with all of the **Policy** terms and conditions.

The **Policy**, any other declarations **You** make and any endorsement, amendment or alteration to **Your** cover will form the legal contract between **You** and **Us**.

Your Duty to Take Reasonable Care Not to Misrepresent

You have a duty to take reasonable care not to make any misrepresentation when entering into, varying, extending or renewing the **Policy**.

This means that it is essential that **You** respond to specific questions that **We** ask honestly and to the best of **Your** knowledge, including where **We** ask **You** to confirm or update information that **You** have previously given to **Us** when entering into, varying, extending or renewing the **Policy**.

To assist **You** with providing **Us** with honest and accurate responses to any questions **We** ask of **You**, **We** have endeavoured to ensure that any question **We** ask is clear and easy to understand. Further, where possible, **We** have also included examples of the types of responses **We** are looking for when asking a particular question.

If **You** are unclear of any particular question or would like **Us** to explain it to **You**, please get in touch with **Us** and **We** will explain this to **You**.

In determining whether **You** have fulfilled this duty to take reasonable care not to make a misrepresentation to **Us**, **We** will consider all of the relevant circumstances of a particular case. If **You** do not respond honestly and accurately to specific questions that **We** ask, **We** may (acting reasonably) cancel **Your Policy** or reduce the amount **We** will pay **You** if **You** make a claim, or both. It is therefore vital that **You** be honest and specific in **Your** responses. If **Your** failure to tell **Us** is fraudulent, **We** may refuse to pay a claim and treat the **Policy** as if it never existed (this does not mean that **We** will refund any premiums that **You** have already paid).

Agreements Affecting Rights of Subrogation

We will not pay a claim if, without prior agreement from **Your** insurer, **You** make any agreement that will prevent the insurer from recovering the loss from a third party.

Interested Parties

We will not accept any financial interests over **Insured Trees** of any party other than **You**, unless **You** have notified **Us** of such interest and:

- Request the interest to be noted on the **Policy**
- Authorise **Us** to use that party's personal information about **You** in connection with that **Policy**.

We must have agreed and noted that interest on **Your Certificate of Insurance**.

That party is not covered nor do they become an Insured under the **Policy**. If the interests of another party have been noted on the **Policy**, then in the event of a claim **We** are obliged to enquire from that interested party whether the claim is subject to that interest. If so, **We** are obliged to first make payment of the claim to the interested party and thereafter make payment to **You** of the balance. A payment by **Us** to an interested party constitutes a discharge of **Our** liability to **You** under the **Policy** to the extent of that payment.

This is Not a Renewable Contract

Cover provided under this **Policy** will cease at expiry of the **Period of Insurance** shown on **Your Certificate of Insurance**. If **You** wish to arrange similar insurance with **Us** for the following season, **You** will need to complete the proposal sent to **You** and **We** will provide terms of cover for **Your** consideration.

Underinsurance

You will not be covered in respect of any area which is not shown on **Your Certificate of Insurance**.

If **Your** area planted is greater than the **Insured Trees** nominated by **You**, **Your** claim in respect of **Insured Trees** will be reduced by the underinsurance percentage of the total area planted.

Example - Underinsurance	
Area planted	15ha
Insured Crop Area	10ha
Area Damaged	5ha
Underinsurance %	66.7% ((10 ÷ 15)x100))
Underinsurance Calculation	5ha x 66.7%
Net Claim Area	3.335ha

HDI may require additional information from **You** when **We** hand over **Your** complaint file.

If **Your** complaint is not resolved by HDI at day 22 and it looks unlikely that a decision can be made by Day 30 due to varying complexities or severe circumstances, **You** will be updated immediately and afforded the opportunity to take **Your** compliant to the Australian Financial Complaints Authority (AFCA). If **You** decide to keep the compliant with HDI, then with approval from ACFA, HDI will be given a 14-day extension to make a decision on **Your** complaint.

When HDI makes a decision on **Your** compliant it will be in writing. **Your** written decision will include the final outcome of the compliant, reasons behind the decision, **Your** rights if **You** are not happy with the decision and the contact details of AFCA.

HDI will provide **You** with enough detail to understand the basis of the decision and be fully informed when deciding whether to escalate the matter to AFCA or another forum.
